

Pneumatic and hydraulic powered cold water high pressure washers

Pneumatic and hydraulic powered pressure washers are ideal for potentially dangerous zones where diesel or electrical power is not recommended, particularly oil rigs, off shore tankers, mining and shipping industries.

KLU model is pneumatically driven. KOS is hydraulically driven (oil driven).

PRODUCT FACTS

- Suitable for use in hazardous areas classified as Zone 1 & 2.
- 4 piston 03 pump provides high performance, excellent reliability and a long working life

Model	4403KOS	2603KLU
Ref. no	6170330	6170000
Description	4403KOS	2603KLU
