

Compact mobile hot water high pressure washers for light-medium duty cleaning

The innovative NEPTUNE 3 hot water series is ideal for light and medium duty applications in vehicle, transport, manufacturing, trade and agricultural segments.

The new NEPTUNE 3 series features low running and maintenance costs, robustness, durability and high cleaning efficiency. This compact line shares many of the innovative features of the larger 5, 7 and 8 series as well as having a performance to match larger machines. Heating costs are reduced with the award-winning EcoPower boiler system with > 92% heating efficiency. The robust, yet compact design, makes this product easy to transport and fit for use also in tough environments. Sound level is reduced and lifetime extended with a reinforced pump and 1450 rpm motor.

A choice of either 9 litres/min from the Neptune 3-22 or 10 litres/min on the punchy Neptune 3-25 giving sustainable mid range capability.

PRODUCT FACTS

- EcoPower boiler with > 92% efficiency
- Reduced running costs
- up to 10 litres per minute at 100 bar
- 1450 rpm motor with low noise level
- Quick Service concept reduces maintenance costs
- Easy to use control panel... all controls in one place
- ERGO quick change accessory system for additional user comfort
